Speaker, Father Richard McAlear, OMI

Father McAlear, a native of Boston, Massachusetts, entered the religious order of the Oblates of Mary Immaculate in 1960. He studied in Rome and was ordained there in 1970, after receiving degrees in Philosophy (Ph.L.) and Theology (S.T.L.). He returned to the United States, where he taught high school and received another degree in Religious Education (M.A.).

In 1972, Father McAlear became involved in the Catholic Charismatic Renewal and he entered into the healing ministry in 1976. His ministry and work have brought him to every part of the United States, Asia, South America, Canada, Australia, New Guinea, Guatemala, Italy, France, Portugal, and Scotland.

He is much in demand as a speaker for retreats, conferences and seminars for priests, deacons and other religious associates in various countries. He also preaches in various parishes, where he conducts healing services, weekend renewal retreats, parish missions and days of teaching. In addition, he is a popular pilgrimage director who has taken hundreds of pilgrims to the Holy Land, Marian Shrines and on other numerous journeys. His Oblate peers have asked him to direct their Renewal Program in Provence, France.

Father McAlear has been a member of the Association of Christian Therapists since 1977, and a past director of Our Lady of Hope Center in Newburgh, NY. In Newburgh, his charismatic work included healing prayer along with a strong outreach to the poor and needy in that area. Father McAlear was subsequently appointed as the Vocation Director for the Oblates of Mary Immaculate. In this capacity he was stationed in Washington, D.C. where for ten years, he recruited young men for the priesthood. Upon completing his term as Vocation Director he was assigned to devote himself full time to teaching and the healing ministry.
