

Brief Description of A Healing Mass

Father believes that the greatest healing comes through Eucharist. Therefore, during Mass, he instructs those who receive the Holy Eucharist to enter into the healing process by taking their needs and infirmities to the Lord at the very moment they receive the Eucharist. After the liturgy, the healing service begins. The Holy Eucharist is brought onto the altar for exposition during the healing service. During this time, attendees pray and adore the Lord. Father McAlear then gives the anointing and blesses individuals who wish to come forward for prayer. With the Holy Eucharist within us, and exposed before us, we are embraced by the Merciful Heart of Jesus. In this embrace we are all united and the spirit of a loving community is created. The response to this experience differs for each individual and have included such reactions as openness, awe, a desire to be healed, good will, inspiration, praise, contrition, petition, forgiveness, thanksgiving and more. After attending Father McAlear's healing mass, many individuals experience emotions that are sometimes too powerful to express in human language; all experience a deep peace.
